

# Super Veggies Assemble

## Week beginning 24<sup>th</sup> April 2025

### This week in phonics...

We will be learning to read and write words containing consonant blends at the end of words (e.g. best, milk, pink, bank).

We are practising reading the tricky words 'people' and 'their', as well as learning how to spell 'into' and 'his'.

### This week in maths...

We will be learning about 3D shapes, including their names and properties.

### Why this 'theme'?

We have chosen this theme as the children have been taking on roles of goodies and baddies in their play.

### Skills Focus

**Physical Development:** Find out about healthy and unhealthy foods.

**Computing:** Understand how to give instructions.

**PSED:** Recognising strengths and abilities and celebrating these.

**Expressive Arts & Design:** Create art using 'benday dots'.

**Communication & Language:** Share ideas using 'because'.

### Vocabulary

**Physical Development:** Healthy, unhealthy

**Computing:** Stop, go.

**PSED:** Talent, skills, different, proud.

**Expressive Arts & Design:** Colour mixing, print.

**Communication & Language:** because, why, agree.

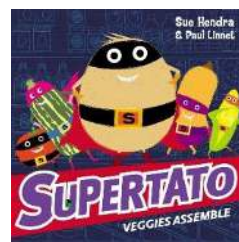

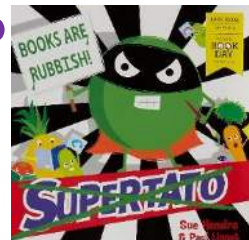

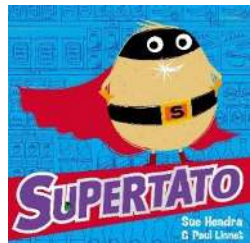

### Did you know...

Tomatoes, cucumbers and peppers are fruits and not vegetables

### I wonder...

What do you think the best superpower to have would be? Why?

**Things your child can do at home:** Share stories, comics and non-fiction books around superheroes, draw a picture of someone who is a superhero in your life, write a list of your favourite superheroes, watch superhero cartoons or films and tell your grown-up what you liked and didn't like, explaining why.

**Homework:** Create your own 'Super Veggie', either making one or drawing a picture of one, and write a sentence about them.

### We are a Church of England School...

We say a prayer before lunch each day.

In our daily collective worship, we will be exploring this half-term's theme of 'Compassion'. This week's song: *Be bold, be strong!*

School Values:

Compassion • Courage • Responsibility
